Southern Medicines FOR SOUTHERN PEOPLE. Medicines for the South, prepared at the South, from indigenous roots of the South, for all diseases incident to the South.

Prepared by HEINITSH, Chemist. A great achievement. Twenty years ago, to have said that such a Drug Establishment as HEINITSH'S, for the manufacture of Medicines for the South, would be a success, would have been regarded as a mere well-wished wish. But such is the fact; success ever attends well-aimed means, and upon this base we propose to go on, and offer to the afflicted the only remedies worth trying: Heinitsh's QUEEN'S DELIGHT, for the Blood.

Heinitsh's BLOOD and LIVER PILLS, for the Liver.

Heinitsh's KINA CHILL CURE, for the Chills.

Heinitsh's COUGH EXPECTORANT, Stanley, for the Cough.

Heinitsh's CRIMSON TETTER WASH, for the Tetters.

Heinitsh's QUAKER LINIMENT, for Rheumatism.

For sale, wholesale and retail, at E. H. HEINITSH'S Drug and Chemical Store.

THE CINCINNATI MOVEMENT.

The Cincinnati movement has been felicitating themselves with the belief that the Cincinnati movement was stunted by the Presidential election, and died with Horace Greeley, will soon discover that they have an exceedingly lively corpse upon their hands. Connecticut, the first State in which an election occurs, has opened the campaign by holding a convention of Democrats and Liberal Republicans, which nominated candidates and adopted a platform. The very first resolution re-affirms the principles declared at Cincinnati and endorsed at Baltimore. The other resolutions arraign the President in the severest terms for his official misconduct; deplore the influence of Federal office-holders in State elections; sympathize with Cuba in her struggle with Spain; and eulogize Horace Greeley. The candidate for Governor, Charles R. Ingersoll, is a Democrat; the candidate for Lieutenant-Governor is a Liberal Republican. The Connecticut Democracy propose to stick to the policy inaugurated last summer, and to make a vigorous fight on that line. Their chances for success are reported as highly encouraging; but apart from the general declaration of principles contained in the platform, the conflict will be waged mainly on local issues.

A NEW CONFIDENCE GAME.—A well-dressed young man stopped at a Vermont hotel last week, for a few days, and made acquaintances. The evening of the second day of his arrival a nice young lady came along, unattended, and instantly attracted the attention of the impressive youngster, who canvassed her charms fully as they set apart from her at supper. The stranger youth even went so far as to say that he would marry her if she would have him; and offered, for a substantial wager, to pop the question and have the marriage ceremony performed right away. The wager was accepted, and also the proposal of marriage, made so suddenly to her, by the young man, and the parson was called in, who soon united the twain. The sum wagered was paid over to the happy bridegroom, and he and his bride set off next day on their marriage tour. What lends romance to the circumstance is the fact that the young couple had already been man and wife for a year. [Concord (N. H.) Daily Patriot.

COUPON BONDS,

Secured by a Mortgage on the entire Property of the Road. Interest Payable Semi-Annually, on the 1st of January and 1st of July.

The Central National Bank, OF COLUMBIA.

OFFERS for sale limited amount of above-mentioned BONDS, at the following rates: FIRST MORTGAGE BONDS, (only \$10,000 per mile, at 82 cents and accrued interest; SECOND MORTGAGE, (only \$5,000 per mile, at 75 cents and accrued interest, and recommend them to Trustees and others having money to invest, as being the most desirable security on the market, for the following reasons, to wit:

FIRST.—THEY CANNOT BE TAXED BY THE STATE, COUNTY OR CITY. The United States Supreme Court, in the case of the Northern Central Railroad vs. Jackson, (see 7 Wallace, Supreme Court U. S., page 267), decided that, when a Railroad mortgage is a joint one, on property lying in two or more States, the bonds secured thereby are not liable to be taxed by either of the States; and the same principle applies to them from taxation by County, City, or Town. The Charlotte, Columbia and Augusta bonds are secured by a joint mortgage on property lying in North Carolina, South Carolina and Georgia.

SECOND.—Because they are absolutely safe, being secured by a first mortgage of only \$10,000 per mile on the entire road from Charlotte to Augusta, and on all the work-ups, bridge, franchise and equipments of said road.

THIRD.—Because the sale of the first mortgage bonds will extinguish the floating debt of the road, and the proceeds of the second mortgage bonds will be exclusively applied to improving the road and adding to its equipment; thus enhancing the value of the property mortgaged.

FOURTH.—Because the bonds are coupon bonds, and the interest payable in New York, Charlotte, Columbia or Augusta, at the option of the holder. Thus they can be collected through any bank without expense.

FIFTH.—The business of the road is rapidly increasing, and the property and franchise value becoming more valuable—the net earnings for the last five months being over fifty per cent. more than for the corresponding months of the preceding year.

SIXTH.—These Bonds are practically redeemable in gold, for specie payment will certainly be resumed before their maturity. In Augusta, they are considered good collateral, on which money can always be borrowed for temporary purposes.

SEVENTH.—As these Bonds have a fixed value in New York, Charlotte, Columbia and Augusta, they are considered good collateral, on which money can always be borrowed for temporary purposes.

FOR SALE

AT THE

CAROLINA NATIONAL BANK

SEVEN PER CENT.

COUPON BONDS

OF THE

CITY OF COLUMBIA.

Secured by a Sinking Fund. Coupons secured by an Annual Tax and Receivable for City Taxes. Bonds non-taxable by the City. Bond Debt of the City Limited by Law to \$600,000. Taxable Property of the City \$7,000,000.

THE BONDS offered are authorized by an Act of Assembly approved March 13, 1872, for the construction of the new City Hall. Their final redemption is, by the terms of said Act, secured by a "sinking fund," to be accumulated from the annual rents of the building. These rents from \$8,000 to \$10,000 per annum; and the Carolina National Bank holds a lien of the building for a term of twenty years, as trustee, with power to collect the rents and hold the same invested as a fund for the redemption of the bonds. By said Act a special annual tax is required to be levied to pay the semi-annual coupons, and the Carolina National Bank is made the trustee of the city to receive the taxes when collected and to pay the coupons. The coupons are also receivable for city taxes.

The taxable property of the city is at present assessed at \$7,000,000; and by said Act the bond debt of the city cannot be increased beyond \$600,000 whilst these bonds are outstanding. The bonds are exempt by law from city taxation.

These bonds are offered to the public at eighty net, with interest from date of purchase to January 1, 1873, allowed in settlement. After that date, the accrued interest to be added.

To citizens of Columbia these bonds will give an income of 12 1/2 per cent., as may be seen from the following statement: Seven per cent. bonds, at 75, annual interest..... 9 1/2 per cent. Nineteen years to run, average increase per annum..... 1 1/2 per cent. City tax saved..... 2 per cent.

Average annual income..... 12 1/2 Dec 11
